National Foster Parent Association Annual Membership Meeting
June 15, 2019
Anaheim/Garden Grove, California

The annual membership meeting of the National Foster Parent Association, known as NFPA, was held in person on Saturday, June 15, 2019 beginning at 9:08 AM PDT with the NFPA Board of Directors President, Karen Poteet being present and presiding over the meeting with the Secretary being absent, elected Secretary pro tem Tammy Wells was present.

Meeting continued with the recognition of the NFPA Board of Directors and Staff. Members were informed of the most recent election results of the NFPA Executive Committee:
Thomas Rector, Vice-President
Cathleen Hawks, Secretary
Tammy Wells, Member at Large

June 30, 2018 membership meeting minutes were posted, no corrections were noted, NFPA President Poteet deemed the minutes approved by general consensus.

Those members in attendance were informed that the Annual report of the NFPA will be posted on the NFPA website. www.nfpaonline.org

NFPA Executive Director, Irene Clements gave an overview of the organizations most recent year, noting areas of:

- Background and history of the Council of State Affiliates, CoSA
- Caregiver Education opportunity on National/State levels through trainings and recognition of foster families
- 2020 Education Conference location - Reston, Virginia
- Public Policy and Advocacy continues on a legislative level to ensure foster families voices are heard.
- Walk Me Home, an awareness, fundraising, and retention program for State organizations.
- Corporate Funding Partners such as United Health Care and Centene continue to support our training efforts of foster, adoptive, and kinship families.
- National Foster Care month is developed through supports of like organizations
- Financial Report can be found on the NFPA website www.nfpaonline.org
- 2018 Accomplishments

Question and Answer session held with members.

With no further discussion, a motion to adjourn was entertained, with a second heard. NFPA President Poteet concluded the meeting at 9:47 AM PDT.
